

Domino's® Stores Across Greater Chicago Looking to Hire 1,000 Team Members

March 19, 2020

Locally-owned stores looking to hire for part-time and full-time positions

CHICAGO, March 19, 2020 /PRNewswire/ -- Domino's franchise-owned locations are looking to hire about 1,000 new team members across more than 100 stores throughout Greater Chicago. The positions include delivery drivers, customer service representatives, assistant managers and managers.

"Domino's works hard to serve local communities across the country and Chicago is no different," said Reece Arroyave, a Chicago-area Domino's franchise owner. "Stores across this area are continuing to provide pizza to those who are looking for a delicious, hot meal, and at times like this, staffing is critical."

The increased demand for deliveries has amplified the need for additional team members in Domino's franchised-owned locations throughout the region.

"While many local, state, and federal rules are closing dine-in restaurants, the opportunity to feed our neighbors through delivery and carryout continues," said Arroyave. "We want to make sure we're not only providing food to people, but also delivering opportunity to those who are looking for work."

Those who are interested in applying for a position should visit jobs.dominos.com.

All Domino's stores in the U.S. provide a contactless delivery option to customers, while also offering carryout to those who prefer it. To read about what Domino's is doing regarding COVID-19, please visit biz.dominos.com/web/media/covid-19.

In June 2019, through an announced partnership with Nuro, Domino's furthered its exploration and testing of autonomous pizza delivery. In late 2019, Domino's opened the Domino's Innovation Garage adjacent to its headquarters in Ann Arbor, Michigan, to fuel continued technology and operational innovation – while also launching its GPS technology, allowing customers to follow the progress of the delivery driver from store to doorstep.
