

Domino's® Names Frank Garrido EVP - U.S. Operations

March 15, 2021

ANN ARBOR, Mich., March 15, 2021 /PRNewswire/ -- **Domino's Pizza Inc. (NYSE: DPZ)**, the largest pizza company in the world based on global retail sales, announced the promotion of Frank Garrido to executive vice president – U.S. operations and support, effective March 15, 2021.

Domino's announced the promotion of Frank Garrido to executive vice president – U.S. operations and support.

Garrido replaces Tom Curtis, who is leaving to pursue another opportunity. Garrido will report to Russell Weiner, Domino's chief operating officer and president – Domino's U.S.

"We wish Tom the best of luck in his new role, as he served Domino's well for many years," said Weiner. "Moving forward, we are thrilled to have Frank join the company's executive leadership team.

Frank has decades of operations experience with several well-known brands. He has been with Domino's for some time now and is ready to go."

Garrido most recently served as senior vice president overseeing Domino's nearly 400 company-owned stores. He joined Domino's in 2017 as a regional vice president, based in Atlanta. Prior to Domino's Garrido was vice president of operations for Focus Brands' McAlister's Deli, part of Focus Brands' more than 4,500 ice cream shops, bakeries, restaurants, and cafes worldwide. Garrido also served as executive vice president of operations, training and concept development for Edible Arrangements International.

Garrido holds a degree in hospitality management from Widener University.

About Domino's Pizza®

Founded in 1960, Domino's Pizza is the largest pizza company in the world based on retail sales. It ranks among the world's top public restaurant brands with a global enterprise of more than 17,600 stores in over 90 markets. Domino's had global retail sales of more than \$16.1 billion in 2020, with nearly \$8.3 billion in the U.S. and more than \$7.8 billion internationally. In the fourth quarter of 2020, Domino's had global retail sales of more than \$5.5 billion, with over \$2.7 billion in the U.S. and more than \$2.8 billion internationally. Its system is comprised of independent franchise owners who accounted for 98% of Domino's stores as of the end of the fourth quarter of 2020. Emphasis on technology innovation helped Domino's achieve more than half of all global retail sales in 2020 from digital channels. In the U.S., Domino's generated more than 70% of sales in 2020 via digital channels

and has developed several innovative ordering platforms, including those for Google Home, Facebook Messenger, Apple Watch, Amazon Echo, Twitter and more. In 2019, Domino's announced a partnership with Nuro to further its exploration and testing of autonomous pizza delivery. In mid-2020, Domino's launched a new way to order contactless carryout nationwide – via Domino's Carside Delivery™, which customers can choose when placing a prepaid online order.
