-

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On February 12, 2007, Domino's, Inc. ("the Company"), entered into a five-year forward-starting interest rate swap agreement with a notional amount of \$1.25 billion to hedge the interest rate variability of the coupon payments associated with the anticipated issuance of up to \$1.85 billion of securitized debt in connection with the recapitalization plan that was announced by Domino's Pizza, Inc. on February 7, 2007. Under the swap agreement, the Company has agreed to pay a fixed interest rate of approximately 5.16%, beginning on March 31, 2008 through March 31, 2013, in exchange for receiving floating payments based on three-month LIBOR on the same \$1.25 billion notional amount for the same five-year period. The swap agreement is expected to be cash settled, in accordance with its terms, concurrent with the issuance date of the securitized debt.
