

Investor Presentation

October 2014

Legal Stuff

This presentation and our accompanying comments include "forward-looking statements."

These statements may relate to future events or our future financial performance and are subject to known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to differ materially from those expressed or implied by these forward-looking statements. This presentation and our accompanying comments do not purport to identify the risks inherent in an investment in Domino's Pizza and factors that could cause actual results to differ materially from those expressed or implied in the forward-looking statements. These risks include but are not limited to those risk factors identified in Domino's Pizza, Inc.'s Annual Report on Form 10-K for the fiscal year ended December 29, 2013, as well as other SEC reports filed by Domino's Pizza, Inc. from time to time. Although we believe that the expectations reflected in the forward-looking statements are based upon reasonable estimates and assumptions, we cannot guarantee future results, levels of activity, performance or achievements. We caution you not to place undue reliance on forward-looking statements, which reflect our estimates and assumptions and speak only as of the date of this presentation and you should not rely on such statements as representing the views of the Company as of any subsequent date. We undertake no obligation to update the forwardlooking statements to reflect subsequent events or circumstances. In light of the above, you are urged to review the disclosures contained in the Domino's Pizza, Inc. SEC reports, including the risk factors contained therein.

This presentation contains trade names, trademarks and service marks of other companies. We do not intend our use or display of other parties' trade names, trademarks and service marks to imply a relationship with, or endorsement or sponsorship of, these other parties.

Domino's Pizza

Other Major Pizza Chains

Pizza Delivery Market Share

DPZ is largest pizza delivery chain in the U.S.

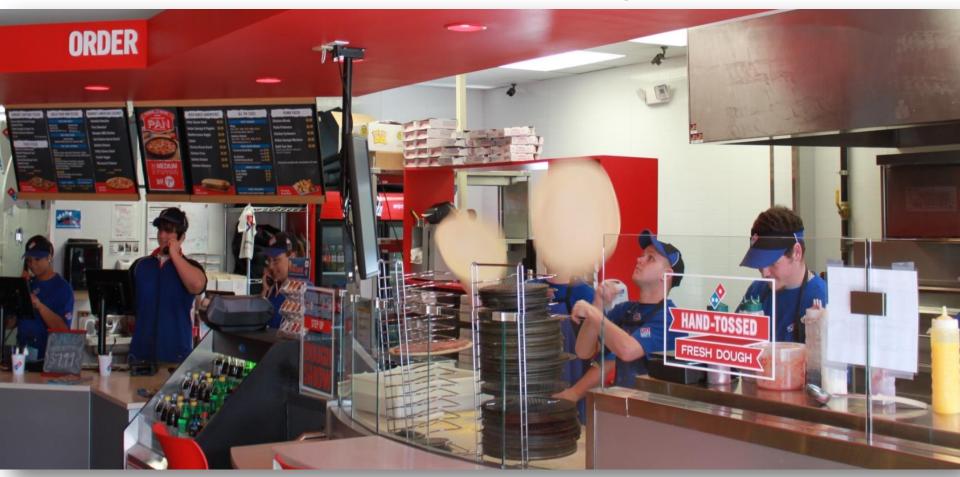

Small Chains and Independents

2010 Starts Brand Turnaround

- Reinvented core pizza improved food quality on menu
- Brand news moved from limited time products to:
 - Transparency
 - Product platforms
 - Technology
 - Value
- Advertising that resonates with consumers
- Engaging social media campaigns
- Increasing franchisee profitability
- 2009-2013 domestic retail sales* CAGR of 5.1%

Next Step – Store Reimage

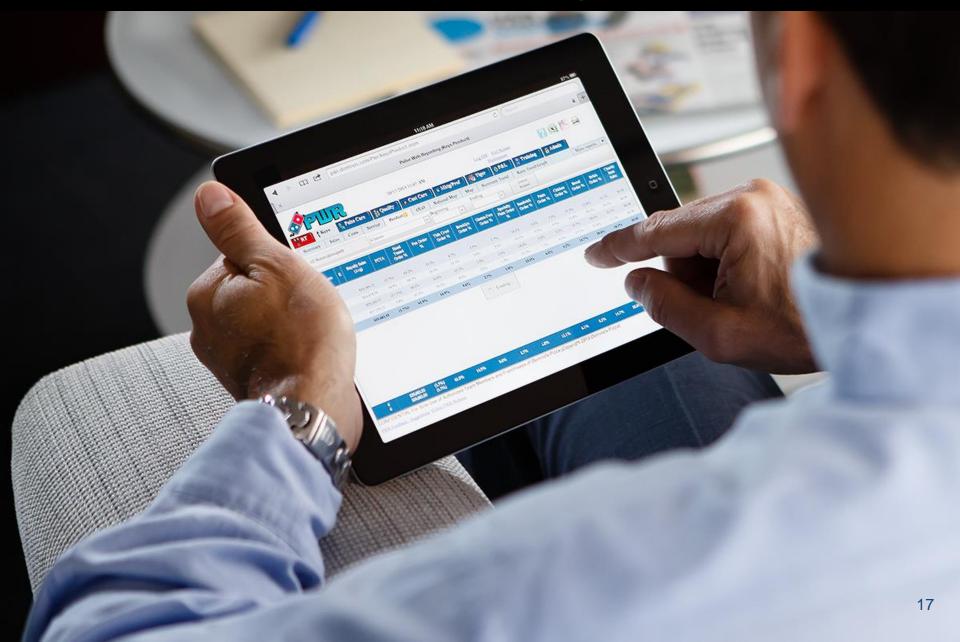

Note: Reimage standard is global, not just in the U.S.

Domestic Supply Chain – Key Component

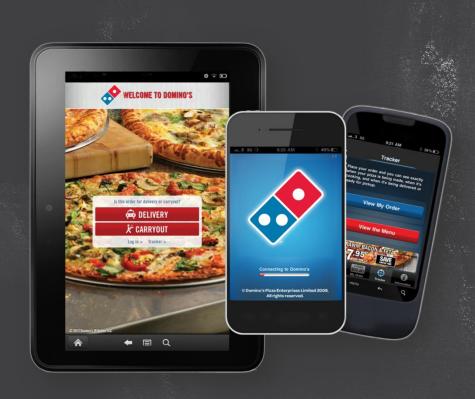

Innovative Technology Leader

Innovative Technology Leader \$3 Billion in Global Digital Sales Annually*

- Domino's iPhone[®] and Android[™] apps are higher rated on iTunes[®] and Google Play[™] than Pizza Hut and Papa John's
- Domino's apps available for approximately 95% of smartphones
- U.S. digital orders are approximately
 45% of total sales as of Q2 2014
- Sharing technology learnings globally

Innovative Technology Leader

Building Blocks for Future Advances

- All U.S. stores and over 3,300 international stores run on proprietary POS system
- Pizza Profiles provide customer-focused convenience
- Profile users can reorder their favorite orders in as few as 5 clicks or 30 seconds
- Pizza Profiles allows other advances such as Ford SYNC® ordering system
- Now offer voice ordering for iPhone[®] and Android[™] ordering apps

Stable Franchise Model

Stable Franchise Model

Pizza Unit Economics

- Focused and efficient operating model
 - Delivery and carryout
- Moderate cost to open / operate
 - Modest square footage
 - Makeline, oven and POS system
- Strong cash-on-cash returns
- As an example: U.S. avg. reported annual EBITDA per domestic franchise store up five years in a row, 2013 at \$82K*

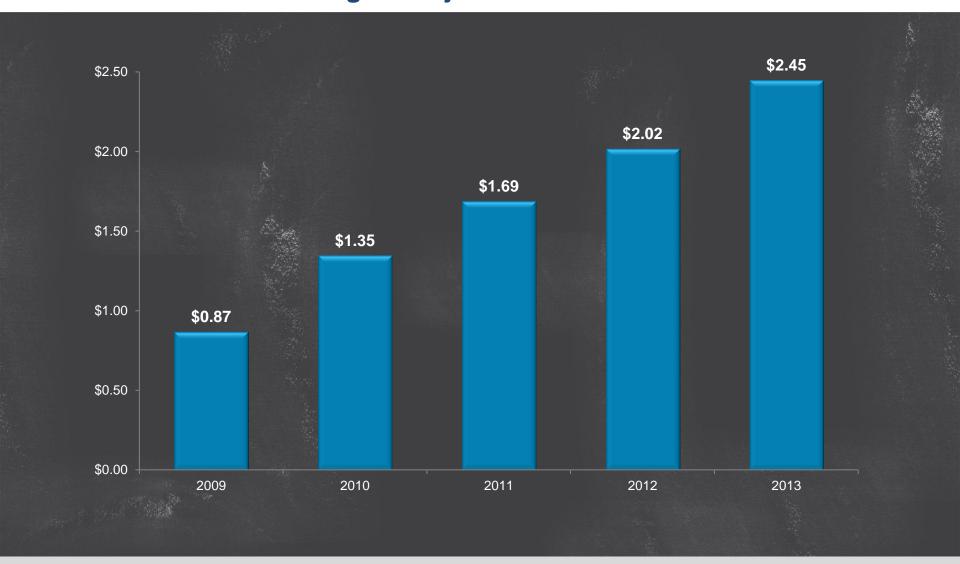

DOMINO'S PIZZA CARLSBAD, CALIFORNIA

Strong Unit Economics = Better Store Growth

Stable Franchise Model Strong As Adjusted EPS Growth

Stable Franchise Model

Long Range Outlook

Stable Franchise Model

Building Shareholder Value

- 97% franchised business with historically steady cash stream
- Asset-light model with modest cap-ex needs
- Model functions well with leverage
 - Generally operate in the 3-6x debt/EBITDA range
 - \$1.52 billion debt outstanding with an approx. 5.4% cash interest rate
- Have used recent free cash flow to:
 - Buy back shares (\$97 million of share repurchases in 2013)
 - Pay quarterly dividend
 - Pay two special dividends 2007 and 2012
 - Reduce debt
